AIRCRAFT REPAIR & MAINTENANCE

There is no business we understand more intimately – or serve more passionately – than the aviation industry. We're the first choice of aircraft repair & maintenance professionals around the world. Here's why.

TOP-FLIGHT EXPERIENCE.

Airways has specialized in this industry for over 10 years, both domestically and internationally. We understand the unique demands placed upon you – especially in A.O.G. situations. Time-critical shipping is the very heart and soul of what we do. You can't afford to wait on product and, with Airways, you don't.

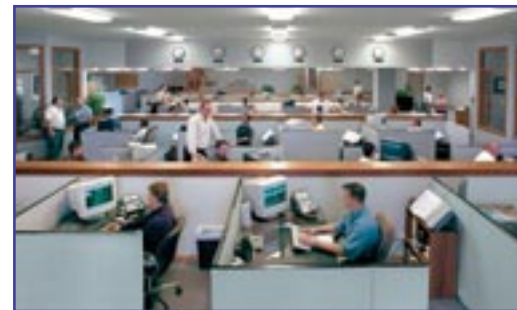

"For the past 6 years, Airways Freight has given us total transportation solutions with all our North American vendors, offering us flexibility and options that no other forwarder could provide. They've proven time and time again that no matter what the cargo is or when we need it, their service is always beyond our expectations."

SHIP WITHOUT LIMITATIONS.

No cargo is too large or too small for our team to handle – from jet engine housings to the smallest, but equally important, parts and equipment. Whether you require same-day service or something less immediate, Airways will deliver on time, every time. And our resources are endless – from

charters to specially configured aircraft to oversized flatbeds, there's no project beyond our capabilities.

COMPANIES WE WORK FOR

- Boeing
- Lockheed Martin
- Volvo Aero
- Danbee Aerospace
- BFGoodrich
- Olympic Aviation

PERSONAL, TIMELY CONTACT.

From pick up to delivery, no one keeps you better informed than Airways. We offer state-of-the-art electronic purchase order tracking/maintenance and customized inventory control features – available 24 hours a day, 365 days a year from a single source.

GLOBAL SOLUTIONS.

With our international network of seasoned freight personnel, we've solved aviation-related transportation logistics for clients on every continent. No matter where you are, no matter when you need it, you can rely on Airways.

A.O.G.? Call Airways. We'll get it there A.S.A.P.
