Delivering Performance

WE KNOW TRADE SHOWS.

“Exhibitors tell us Airways provides them with excellent customer service, competitive prices, knowledgeable and accessible staff, complete customs clearance services, and, most importantly, the freight arrives where it should be and when!”

Carol Fojtik
Hall-Erickson, Inc.

It's simple logic. No booth – no trade show. At Airways, we make sure that doesn't happen. Ever. Here's how.

EXPERIENCE. THE DIFFERENCE.

Airways has been handling trade show freight for more than 15 years. We are, without a doubt, the most experienced and qualified cargo logistics company in the trade show industry. Ship with us one time and you'll see the difference.

PERSONAL PERSONNEL.

At Airways, each trade show is assigned at least one operations manager in charge of making sure your shipments are on-time and on-budget – both in-bound and out-bound. When Airways has 'official carrier' status, numerous Airways personnel are on-site providing you around the clock, personal assistance from some of the finest trade show freight professionals in the industry.

And we consistently have the highest on-time performance record in the business. That's why so many shows around the world choose Airways as their official carrier.

BY LAND, BY AIR, BY SEA.

Airways utilizes a solid lineup of first class carriers – trucking, ocean, airlines, and special air couriers – standard and charter – all experienced in trade show freight. We even offer exclusive truck caravans for show-to-show shipping.

At Airways, we look at your needs and develop a program specifically tailored to fit those unique requirements. Same day, next day, 3-5 day time-definite deferred, LCL, FCL, LTL, FTL, exclusive use vehicle, special consolidations, warehousing, oversized freight – there is no project we can't handle for you.

POWERFUL RELATIONSHIPS.

Our strong long-term partnerships overseas allow us to expedite international trade show cargo delivery, all the way to the show floor. Proper paperwork is a key to delivering your booth on time and we make sure it's done right the first time.
