Delivering Performance

THE WHEELS ARE ALWAYS TURNING.

There's more to us than our name implies.

Because perhaps the best choice you can make for trucking your valuable cargo – is a company called Airways. Here's why.

OPTIONS = SOLUTIONS.

You have unique shipping needs. That's why you can count on us to translate your special requirements into transport methods that work. With unlimited options coast to coast, from standard trailers and straight trucks, to flat beds, drop decks, panel vans or refrigerated, Airways has you covered. Hot Shot ground expeditors, single or team drivers, special escorts or permits – we provide real world solutions.

CONSTANT CONTACT.

From pickup to delivery, no one keeps you better informed about your shipment than Airways – period. With state-of-the-art dispatching and tracking via satellite, EDI, Internet, and cell phone we keep you advised of your cargo's status every step of the way. And your Airways trucking specialist will immediately notify you of delivery – day or night, weekends or holidays – by e-mail, phone or fax.

"We've never had such great communication regarding logistics as we have with Airways. For you to get a truck at the last minute to save us storage and warehouse fees was fantastic."

Tim Wilson
Micro Plastics

DELIVERING PERFORMANCE.

Because your business constantly demands more, so do we. Airways places the highest priority on performance from all our carriers. Professional drivers, professional equipment, first class results. We always find the most cost effective and timely way to safely transport your goods.

RELY ON THE PRO'S.

Our transportation logistics managers are highly trained professionals with years of experience facing the special demands of the trucking business. Proximity, weight, size, time constraints and control – they'll

COMPANIES WE WORK FOR

- Biolase Technologies
- Tyson Foods
- Siemens
- Lucent Technologies
- Fujitsu

match your unique requirements to the right equipment and deliver your product on time, every time.

SPECIALIZED INDUSTRIES.

In some cases, an expedited truck may provide the timely delivery you demand.

That's why so many companies depend on Airways as their shipping partner – we'll find the best solution to fit your needs. Some of America's top firms employ us to manage the logistics for their show-to-show caravans for trade and traveling road shows, medical seminars, nationwide meeting conferences, industrial maintenance support, utilities and import/export.

Now you see why more businesses every day are selecting Airways as their first choice for trucking logistics.
